From Vicar's Letter, HotPott, September 2020:

...One way to view what lies ahead is that it will be a time of building God's church: re-building some of what we had in the past, certainly; but also newly-building in light of God's plans for us. Building Back Better, if you like! Of course, any building which is to last must be based on solid foundations; and this spiritual building work is no exception. Those foundations are our basic Christian beliefs...

I hope – online or in person – you will tune in to these sermons, and make sure that you have got those Firm Foundations in place yourself!
